Frequently Asked Questions (FAQ)

What is Liberty Family Outreach?

Liberty Family Outreach was born in 2004 to bring hope to struggling families in south Warren and make a difference in their lives. It has since grown to include many communities in Southeast Michigan.

Throughout the year, we meet practical and tangible needs, and inspire people with a positive, motivational message. Volunteers give free haircuts, family portraits, manicures, paint faces, repair bicycles, serve food and more. Doctors and other health professionals provide health and wellness instruction as well as sports physicals for children going back to school. We have provided school back packs, school supplies and groceries to thousands of families.

We help families with basic housing and transportation needs through a Foster Care Prevention Program. We offer a weekly food pantry that serves hundreds of families in our community. We also offer mentoring programs designed to instill positive values in young people.

What is Summerfest?

Summerfest is an annual event to reach families and help kids with many of the things they need to go back to school.

Who Makes Liberty Family Outreach Possible?

Liberty Family Outreach exists through the generous efforts and donations of people from dozens of churches, companies and civic groups who give of their time and resources.

How Can My Company Participate?

Financial contributions give us the most flexibility. However, company participation ranges from gift cards or product for prize giveaways, to donations of services such as printing, equipment, food, or medical services. A list of sponsorship options is attached for your consideration.

How Will Company Participation Be Recognized?

Companies who support Liberty Family Outreach are recognized in a variety of ways depending on the level of participation. All supporting companies are given appreciation letters that act as a donation receipt for tax purposes. Companies who sponsor at the Platinum level may supply us with a banner that can be displayed at our events.

(Sponsorship levels are attached for your review). Liberty Family Outreach is a non-profit 501(c)3 charity.

Quotes From Civic and Ministry Partners

"I'm truly impressed with it, because it seems to unite a wide diversion of people throughout the city. Frankly this is a better activity than even the city can provide."

James R. Fouts
Mayor of Warren, MI

"I experienced firsthand the great outpouring and support and help for an overwhelming number of people who are struggling in this current economy especially in Southeast Michigan."

Lesia Liss
Former Michigan State Representative
